

# What is a Head of Year, Assistant Head of Year and Form Teacher?

A Head of Year and Assistant Head of Year are the people who will get to know you really well. They are the people who will sort out any issues you have, give you great advice and help you settle in to BTC. They will be the ones who keep in contact with your parents/carers and tell the people at home about how fantastic you are. The Head of Year and Assistant Head of Year lead assemblies for Year 8 students. This is a time where all of your successes will be celebrated and your teachers get to say and show how proud they are of you.

## Form Teacher

Your form teacher will get to know each and every one of you. If you have any questions or issues, it is your form teacher you should come and see. You will have one class a week called “Form Period” and this will be a time for you to get to know your new classmates and learn about issues that are important for Year 8 students.
