I love BTC as I can play a sport I really like, Gaelic Football. It is the best sport and I get to see my friends who are on the team too. All the teachers in BTC are really friendly. I love Science and English because I like to learn about scientific facts and in English, I get to write stories and poems.

**Clodagh McConnell 8T**

I have made lots of new friends from all different primary schools and I am learning new things every day.

## YEAR 8 THOUGHTS ON LIFE IN BTC

**Christopher Hynds 8 M**

The quizzes in class are a really fun way to learn. The computer rooms are massive, and the equipment is all really good. PE classes are fantastic as the teacher makes sure everyone is doing their best.

**Sophie Goodall 8T**

I like Maths, especially when we use the ipads and we learn something new every day. All of the teachers in BTC motivate you to do your best and learn more. I love coming to school to see my friends and teachers. We have a lovely uniform, that looks really smart.

**Cormac Moore 8T**

I like BTC because I have lots of fun with my friends and teachers. I like that you get different teachers for different subjects. The teachers make the learning interesting and are always pointing out when I have improved.

**Joseph McDonnell 8T**

My favourite subjects are HE, Technology, Science and Art. I have made lots of new friends and the teachers are all really great.

**Johnnie Blue McKinney 8M**

I like the teachers, my new friends and all the subjects I study. I really love coming to BTC every day.

# YEAR 8 THOUGHTS ON LIFE IN BTC

**Matthew Doherty 8M**

I like all the teachers in BTC, they are very kind and caring. When I am stuck the teachers help me and I'm not afraid to ask for help.

**Chloe Marley 8M**

I think BTC is the best school because it has lots of facilities, the teachers are really helpful, and I have made lots of new friends. My classroom assistant is the best. I attend lots of the after-school activities for Team Trinity!
